

Honor Garden and Memorial Walkway

We hold such precious memories. So many wonderful years have been spent in the hallways of our beloved alma mater. The spirit and legacy of Bennett High School have spanned so many generations. Try to imagine all of the students, faculty, families, staff and community members who have played a role at 2885 Main Street!

Now we can honor those individuals and special times that we hold dear by participating in our Alumni Walkway Project!

Donations to the Walkway will help the Bennett Alumni Association:

- Mentor Students
- Staff the College Success Center
- Continue Promoting the Bennett Redesign Plan
- Support Bennett Sports Programs
- Continue Community Enrichment Programs
- Support Teacher's Classroom Enrichment through Mini Grants
- Promote Remediation Programs and Tutoring
- Provide College Scholarships
