

Deonna Jones  
Political Science Major  
Recipient of Bennett High School Access Scholarship

Thanks to donor support, Deonna is pursuing her passion.

Deonna Jones, a political science major at the University at Buffalo, is a success story in anybody's book. Against all obstacles as a legal ward of the courts, she excelled academically at Buffalo's Bennett High School as a student in its specialized Law Magnet program.

Impressed with UB's Law School and motivated by her first-hand experience with the court system throughout her childhood, Deonna has her sights set on a career as a lawyer. Thanks to the **Bennett High School Access Scholarship**, she is fully able to pay her tuition as she works towards her goals.

Currently there are many students at Bennett who dream of attending college, but face financial hurdles due to a gap in funding between the cost of tuition, and what they receive in financial aid and loans. With the Bennett High School Access Scholarship Program, Bennett graduates receive \$1000 annually for 4.5 academic years to cover UB tuition, fees, living expenses, books, and supplies.

Ellen Fleysher, Bennett Class of 1962 and UB Class of 1966, established the scholarship in 2007 to reflect her commitment to help students from her alma mater. The scholarship fills the gap in funding for four to five years of undergraduate study.

You can help make a difference in the lives of Bennett students by committing to a multi-year gift, enabling them to graduate from the University at Buffalo and pursue their dreams.
